

MAGIC APPLE SCHOOL began over 33 years ago. As former PVUSD educators, we strongly support our local public schools and feel our unique program enhances the total educational experience of our students. At Magic Apple, we strongly emphasize social skill development--many of our projects involve working within a multi-aged group. Unique to Magic also, are our music and performance opportunities within our annual spring and winter shows. Our students grow to love singing and dancing through our music classes. We are also proud of our high interest classes—Science, Greek Myths, Animals, Heroes of History, Performance Arts (drama, dance and Music). During recesses students enjoy many choices as well: cooking, art, lawn games, working in our greenhouse, skits on our outdoor stage—all in a beautiful orchard setting--the perfect end to a busy school day!

CHARACTER EDUCATION

Each year, Magic Apple students are able to participate directly in special learning experiences designed to promote important core values-- leadership, responsibility, caring, fairness, and citizenship. All students are involved in student body elections, class meetings and service projects that benefit the local community and beyond. Many Magic Apple alumni often continue to hold leadership positions in middle school and high school with their strong speaking abilities, self - confidence in front of groups, and desire to improve their communities.

Emphasizing SCIENCE and the ARTS

Magic Apple Afterschool, Inc.
--begin with the best!

Note: Only students meeting attendance requirements at any of MA, INC. summer camps are guaranteed enrollment for the fall session of Magic Apple Afterschool, Inc (see enrollment policy online). If there are any unfilled spaces remaining they will be opened to the waiting lists. Once a space is found, new students will be contacted to arrange a visit with their families; checks are not cashed until after visiting and enrollment agreed upon by MA, INC staff and families after which tuition and fees become non-refundable.
