In the p.m. choose from swimming, art, dance, or a play on our outdoor stage.	WESTERN TALL TALES 24 We're off to boardwalk bowl and the beach for lunch and games in the morning. When we return we'll choose the winners of our tall tale competition (enjoy a double claim at the flume)! In the p.m., it's pool games, and swim competitions (win a medal or even a trophy)! We'll also work together to plan our carnival on Thursday.	CELEBRATE GOLD 25 It's a Celebration of Gold this morning! We'll have a gold rush, gold mining competitions, and a gold hunt with clues. Later we'll learn true stories of the great Alaskan Klondike gold rush--the hardships and amazing town that developed. In the pm, enjoy swimming and fluming.	WESTERN CARNIVAL 26 Each business will work together to offer fun games for our Western Carnival today. You may bring a decoration, game and/or prizes! Later watch out for Herbert in the pool, enjoy dance, or try making your own lace up boot art. In the afternoon we'll break into groups led by our counselors to create Western skits—who will win.	MONTEREY TRIP 27 Bring tennis shoes and don't be late as we leave at 9:30 a.m. for Dennis the Menace Park, & Monterey Sports Center. In the p.m. enjoy pool games (trophy will be given) and learn about the amazing local legend, Charlie Parkhurst, in a production by our upper graders and counselors!	WESTERN GAMES II 1 Be sure to come by 9 for TWO games of bowling as four trophies are awarded. When we return get ready for our LAST MINER STANDING competition as the counselors come up with feats: (heaviest gold lifter, most pieces of watermelon eater, quickest tag team married couple, best shot, western model, gambler etc.) Finally enjoy swimming and win a medal in our silly games!	MUD PIT, BABY! 2 We're taking down all the big town items today and sending them home; working together to turn our beloved place into a ghost town. Later we'll cheer up with a tug of war across from our famous pit of mud—get ready to get down and dirty. Finally we'll enjoy counselor cheers and funny skits and <u>The Adventures of Tom and Huck</u> & ice cream.	MINING and MOVIES 3 It's the last day in our nearly empty Ponderosa Creek, so the flume and mine will be open like there's no tomorrow (well actually there's not).
